

How to set up filters on Housemate Finder

Before you can get accurate results from Housemate Finder about potential housemate options, you need to set up the filters to tell the system what you are looking for in a potential housemate.

Click on the “Groups” tab and then click on the “Click Here” in the text at the top of the right side of the screen.

On the next screen, on the RIGHT side of your screen is the “filter members” area. You might need to scroll down a bit to see the full section.

Fill in the filters for your preferred housemate. When you are done, click the “Search” button at the bottom. You can come back and change the filters as desired to refine or expand your search.

The image shows a 'Filter Members' interface with several filter sections and red callout boxes providing instructions:

- Desired Housing Location is within:** A text input field contains '46975' with a location pin icon. A callout box points to the 'miles' dropdown menu, stating: "Select the distance from a desired location that you would consider someone as a potential housemate".
- Housemate Gender:** Radio buttons for 'Male' (selected), 'Female', and 'Other'. A callout box points to the 'Female' option, stating: "Select the gender you would prefer for a potential housemate".
- Housemate Age:** Two text input fields contain '18' and '35' with a minus sign between them. A callout box points to the '35' field, stating: "Select the age range you would prefer for a potential housemate".
- Housemate is a smoker:** Radio buttons for 'Yes', 'No' (selected), and 'Clear'. A callout box points to the 'No' option, stating: "If you have a preference for a potential housemate to be a smoker (or not), choose the option. It's also possible to leave items unmarked if you don't have a preference.".
- Housemate Medicaid Waiver Status:** Radio buttons for 'Yes', 'No', and 'No Preference' (selected). A callout box points to the 'No Preference' option, stating: "If you are specifically looking for a housemate is has a Medicaid Waiver, choose 'yes'".
- Search:** A 'Search' button at the bottom. A large red arrow points to it from the left.

After you click “search”, the screen will show you the members of Housemate Finder that match the filters you set up. If there are no matches initially, go back to your filters and make changes to expand your search. (Follow instructions above).
